

Oakland Team Tennis Tiebreak Rule

- When the game score is 7-7, a 9-point tiebreak will be played.
- The next server in rotation serves for the first 2 points from the same end of the court from which he had been serving.
- After 2 points, the opponent who had just completed his serve at the end of the previous game serves again from his/her regular end of the court.
- After 4 points are played, the players switch ends.
- The next server in the rotation serves the next 2 points and the fourth server serves the remaining 3 points, if necessary.
- The first team to win 5 points wins the set.
- Set score is recorded as 8-7.
